

P500

3.0L TURBO DIESEL

EFFORTLESSLY BOLD

www.gwm.co.za

TOWTALLY **VERSATILE**

Bold in presence and crafted with attention to detail, the GWM P500 elevates the premium bakkie experience. Now powered by a 3.0L turbo diesel engine, it brings together confident performance, towing capability and everyday practicality, complemented by premium comfort that makes every journey more rewarding.

EFFORTLESSLY **POWERFUL**

Powered by a 3.0L turbo diesel engine delivering 170 kW and 620 Nm of torque, the new P500 is ready for demanding workdays, confident towing and weekends away. Whether you’ re carrying a load or heading out with the family, it delivers the performance to take it all in your stride.

Model-dependent features mentioned.
Please consult specifications section from page 16 - 20.

EFFORTLESS COMFORT.
BOLD BY DESIGN.

Model-dependent features mentioned. Please consult specifications section from page 16 - 20.

Step inside the P500, let the sunshine in through the sunroof and settle into leather seats, with a fold-down rear centre armrest and cupholders keeping passengers comfortable, while the 8-way electrically adjustable driver’s seat with memory and welcome function helps you find your perfect position for the journey ahead.

06

TOWTALLY **EFFORTLESS**

With the blend of innovation, versatility and power, this bakkie pulls its weight. Featuring a 3 500 kg towing capacity, the P500 is more than ready to take on any challenge, from pulling your caravan for the weekend with the family to carrying the weekday loads with total ease.

Model-dependent features mentioned. Please consult specifications section from page 16 - 20.

INTUITIVE BY DESIGN

Experience intelligent technology with a 14.6-inch multi-touchscreen and a 12.3-inch digital instrument cluster, powered by GWM's Coffee OS 3 for seamless connectivity and intuitive voice control, complemented by an aviation-inspired gear shifter.

Model-dependent features mentioned. Please consult specifications section from page 16 - 20.

Steering Wheel-Mounted Controls

Wireless Charging (50W)

Sound System With Up To 10 Speakers

EFFORTLESS CONFIDENCE

The P500 sets a new benchmark for bakkie safety, offering an impressive suite of advanced active and passive safety features as standard. From Automatic Emergency Braking and Lane Keep Assist to Driver Fatigue Monitoring and more, it's all designed to keep you and everyone on the road safe.

Model-dependent features mentioned. Please consult specifications section from page 16 - 20.

GWM CARES
for your peace of mind

DISCLAIMER

When towing a trailer, pay attention to the weight limits for passengers and luggage in the towing vehicle to avoid exceeding the maximum gross combination mass. For example, when the trailer is at its maximum mass, reduce the number of passengers and the amount of luggage in the towing vehicle. Consult your local service provider for specific requirements. All vehicle configurations, functions, exterior colours and interior details shown herein are for reference only. Specifications may be adjusted without prior notice in accordance with production batches and local regulatory requirements of sales regions. GWM SA reserves the right to final revision and interpretation of all vehicle configurations, technical parameters and colour schemes.

Notes: Ts & Cs apply. The information herein is provided as a guide only. Specification is subject to change at any time. Please contact your nearest dealer to confirm current specification. Vehicle/s shown may differ. Date of publication September 2026. E&OE.
